

SLAUGHTER POLICY

Policy Statement:

2 Sisters Food Group is the trading name for Boparan Holdings Limited, which owns directly and indirectly UK & EU companies constituting the Boparan Group of Companies.

The Boparan Group is committed to ensuring that all animals killed for its products are killed following all legal requirements appropriate for the species. This should include stunning before slaughter for farmed species except where required for specific religious standards.

Scope:

All meat including farmed fin fish used in Boparan Group companies.

Background:

The Boparan Group tries to ensure that the principles of “the Five Freedoms” and specifically “Freedom from fear and distress” are considered in slaughter of animals destined for the meat component of its products.

It expects suppliers to meet all legislative, customer and relevant farm assurance standards particularly with respect to staff training both in the handling of animals and the actual stun and slaughter processes. This training will be verified by regular internal checks and auditing by the appropriate governmental or farm assurance bodies.
